### Calgary > Banff (B,L) Enrich

Today savour the sights and flavours of the Rocky Mountain foothills as you journey from Calgary to Banff. The food story of the Foothills of Alberta's Rocky Mountains, west of Calgary, is a remarkable one. The climate is harsh, winters are long and cold. And yet, a few hardy souls persevere to grow some of the tastiest food you can find. Ramble the range roads off Alberta's historic Cowboy Trail to meet some of Alberta's premier food-producing families. You may get up close and personal with a giant prairie beast that came frighteningly close to extinction - the Great Plains Bison. Or meet a family that innovated a traditional honey operation into a thriving new enterprise. Enjoy a special Farm to Fork welcome lunch of exclusively local fare by an exceptional chef. Finally, there is time to mosey around a small cowboy town before arriving in Banff and checking into the Mount Royal Hotel for a three-night stay. The Hotel is located in the heart of iconic Banff Avenue surrounded by top restaurants and shops, with spectacular mountain views in all directions.
